

**CATHOLIC ENGAGED ENCOUNTER
ARCHDIOCESE OF CINCINNATI**

REQUEST FOR FINANCIAL ASSISTANCE

The Engaged Encounter Community recognizes that because of personal financial situations, some engaged couples may find the cost of an Encounter Weekend prohibitive. This can be true even when the couple is fully prepared for the financial commitment of marriage. While many times the local parish can assist in these situations, this avenue is not always available.

Other engaged couples who have experienced the Engaged Encounter Weekend before you, and who believe greatly in its value, have made donations for this purpose. If you have a financial need, please complete this request and return it with your registration.

What is most important to these engaged couples and to the Engaged Encounter Community is that every couple, regardless of circumstances, be able to prepare further for their marriage with an Engaged Encounter Weekend.
